2005 ZINFANDEL

In the alluvial soil atop a gentle slope at the mouth of Sulphur Canyon, the old vines of the Hayne Vineyard have flourished for over a century. Planted in 1903 on St. George rootstock in the very heart of Napa Valley, the vines are head-pruned and dry-farmed, and consistently produce a most exuberant and expressive Zinfandel grape. Today, these vines stand as a testament to the creative vision and dedication that go into a truly extraordinary wine. Handcrafted from vineyard to bottle entirely on the Hayne Vineyard Estate, Chase Cellars Zinfandel is a celebration of the legacy of those gnarly old vines. With a toast from S.E. Chase Family Cellars, savor this robust and exceptional wine that has been over 100 years in the making.
